PROVISIONS .- North Carolina bacon has exhibited throughout the week a dull disposition, owing to the heavy stock, large receipts and limited demand, and our quotations of to-day are fully 1 cent off. The market closes dull with very light transactions at 7 cents for shoulders 8% @9 cents for sides, 10 cents for hog round, and 12% to 14 cents for hams. --- WESTERN Bacon has shown more strength, but the stock | New York. is amply large to meet the demands, and in consequence, no change of quotation has been made, although dealers are asking an advance. Sells at the following rates: Smoken-6 to 7 cents for shoulders, 8% to 9 cents for sices, 13 to skin, leaving the complexion brilliant and 24 cents for hams. A heavy demand has existed for shipment, and as the receipts have been small the stock has been materially decreased. Although no change of quotation has been made, yet the market shows a decided improvement in feeling, and at the close is firm at the quotations given in table. No cargoes have been received, and in consequence of no bulk sales we report the market as nominal at 886,90 cents for cargoes. The receipts from all sources and the trade supplied by his successors are as follows: From Philadelphia 2,250 bushels; from Baltimore 2,160 bushels, and by Wilmington and Weldon Railroad 3,211 busnels. FLOUR .- The decline of wheat and the reducer failing to impart to the Hair, uniformity of tion of freights has caused a decline of 50 cents since our last review. The stock is large and the receipts fair. A good demand exists, and we report free transactions in both Northern and State brands, and refer to our table of wholesale prices for quotations.

CORN MEAL. The demand for Corn Meal continues fair, and the market is kept well supplied by the manufacturing of the city mills and daily receipts by rail. Dealers are selling from store at \$1 10 to \$1 15 per bushel.

HAY-The large receipts, fair stock, and prospect of a heavy Northern yield the coming year, has to some extent depressed the market, although the change of quotation has been only of minor importance, yet the feeling has shown less stability, and the market closes dull at \$ 60@\$1 65 from wharf, and \$1 90 to \$2 10 from store for New York and Pennsylvania Timothy. BEEF CATTLE .- Have been brought in quite freely during the past week, but the demands of the butchers are quite small, and the extent of their purchases are such as will supply their immediate wants.
